11/02/2018	<u>2</u>	ORDER as to Todd Michael Giffen: Removal proceedings held pursuant to the defendant's arrest on November 2, 2018. Defendant informed of his rights. Enter order appointing Kimberly Seymour of the Federal Defenders Office as counsel for defendant for appearance and bond only. At the proceedings on November 2, 2018, Mr. Giffen launched into an angry and quite irrational soliloquy about what government agents were doing to him through the use of rays which were directed to his brain and other parts of his body. After attempting to assure him that he would be well taken care of at the MCC and whatever he thought may have been done to him elsewhere, the officers at the MCC would not seek to harm him and would in fact seek to assist him. There was, of course, no discussion about the charged crime. Bond hearing scheduled for November 5, 2018 at 11:30a.m. Signed by the Honorable Jeffrey Cole on 11/2/2018. Mailed notice. AUSA David Rojas argued that the defendant should be detained for removal to the District of Oregon, where the ultimate question of bond would be decided. Ms. Seymour argued that the defendant should be allowed to return to Oregon voluntarily and at his own cost. In other words, she argued for bond. For the reasons set forth in the government's argument, and in light of

		<p>the very disturbing information contained in the Pre-Trial Services Report, I denied bond and ordered the defendant to be returned in custody to the charging district. I agree with the government that no condition or set of conditions will assure the defendant's appearance at trial in Oregon and no condition or set of conditions will reasonably assure the safety of the defendant or the community. This Order resulted in a tirade by the defendant that included threats against me personally. The defendant, in addition, to calling me a "faggot fucker," threatened to kill me. He also threatened to sue me. He was anything but calm and restrained and appeared quite menacing and deranged. Of course, the question of bond will be fully litigated upon Mr. Giffen's return to the District of Oregon. The Marshals are requested to return Mr. Giffen as rapidly as possible to the charging district so that any discomfiture by him will be minimized to the extent possible.
